**SUBJECT: COMPANY PRESENTATION**

DA.MA.AN is a young and dynamic company established in 1991 and is specialized in the production and sale of flanges made of stainless, carbon, and alloy steel, as well as of nickel alloys (Monel, Inconel, Hastelloy, Duplex, Superduplex, F44, 904L, Titanium, and Aluminium). Our premises comprise an area of 8,000 square meters, 4,000 of which are covered, 1,500 ca. of which are reserved for the machine shop.

We are also in a position to supply complete piping systems, including: flanges, valves, fittings, pipes, gaskets, bolts, tie rods, etc.

- Flanges conforming to the UNI - DIN ANSI B16.5 – B16.47 A/B – B.S.3293 – API – UNAV – TEMA – AWWA – SAE standards.
- Special flanges: anchor, orifice, long welding neck, and reduction flanges; customized flanges according to customer's drawings.
- Forged and/or turned, custom rough-shaped rings and disks.
- Ball threaded, welding, pocket, flanged, butterfly, globe, gate, check, and on-off valves..
- Head-welding fittings according to the ANSI – ISO standards.
- Forged fittings series 3000/6000 NPT – SW.
- Welded and unwelded iron and stainless steel pipes.
- Asbestos-free gaskets for water, gas, and steam applications made of rubber, viton and teflon, spirometallic gaskets and ring joints.
- Black iron, galvanized, and stainless steel bolts and tie rods.
- Accessories including “Y”, basket, and temporary filters, visual indicators, expansion compensators, etc.
- Bearing, self-reinforcing rings and stub end – roundings.
- Tuyère plates and flanges with added materials or platings.
- Spectacle blind (“8”), single bind, and spacer ring reversible disks.
- Customized, plasma, laser, or saw cut, turned or milled disks, rings, and plates.
- Bars; rolled, peeled, drawn, and ground rods; straps rolled or sheared from strip; square, hexagonal, and angle, U.T. irons.

Our technical commitment in this specific sector, our wide availability of off-the-shelf articles, our consultancy capabilities, our professionalism and, above all, our well-equipped machine shop are the important factors that enable us to operate in the industrial market as a valuable partner, capable of meeting the most varied needs.

We would be glad to get a contact with you to demonstrate that DA.MA.AN place themselves
